

Lesson Rates: \$30 for thirty minutes per week, or a discounted rate of \$108 (4 lessons) when paying monthly. Hour sessions \$60 per lesson or \$216 for the month. Hourly clients will receive a free string change every three months. I do offer a sibling discount of \$184 per month, total, for both students. The sibling discount is only available if both students sign up for weekly lessons and pay by the month.

Lesson Time: Lessons are scheduled in 30 minute or hour blocks. Once you select a time and day it becomes your lesson time each week. Lesson slots will only be changed if agreed upon by both the client and the instructor OR if the client no-shows for 3 consecutive lessons.

Lessons are 1 on 1: I ask that parents wait in the waiting room while I teach. This allows a better learning experience for the student. Providing a fun music education, along with a safe studio environment for the client is my number one goal.

Rescheduling/Cancellation Policy: We all have stuff happen or come up inconveniently sometimes. Please let me know if you cannot attend your lesson. I will, based on my availability, do my best to work with you when there are extenuating circumstances. If a client cancels a lesson, it is their responsibility to contact the instructor to make up the lesson or that session will be forfeit.

Refund Policy: There are no refunds for any reason.

Recital: Students will be able to participate and perform in the yearly Kris Wallace Music Student Recital that takes place during the fall (subject to change based on weather, etc...).

Privacy Notice: Kris Wallace Music shares photos and videos to social media platforms to help promote student goals and studio progress. Please specify if you prefer to not have your child's image used.

I have read and understood the terms and conditions.
